Introduction

Optometry Department of School of Health Sciences from The Assam Kaziranga University has organized One Workshop collaborated with Lenskart for hands on practice regarding the materials and fitting of Optical Lenses and Frames.

The Programme started at 11:00am with Lighting of the lamp by all the dignitaries followed by an welcome address by The Dean of Health Sciences, Dr. Gitumoni Konwar and Inaugral Address by The Registrar of The Assam Kaziranga University, The Guest Speakers were felicitated by The Deans of The Assam Kaziranga University

The workshop started with discussion of various frames and lens material and giving the hands on practice based knowledge to differentiation between the different materials of frames and to prescribe the required suitable frames according to the profession or requirement of the patient

The Programme has winded up around 3:30pm after having an extensive discussion about the lens fitting and troubleshooting of the various lenses along with a quiz held by the team membees of Lenskart.
