KU KAZIRANGA UNIVERSITY
KNOWLEDGE & BEYOND

Admission Kit '24

UGC RECOGNISED AICTE APPROVED AIU MEMBER PCI APPROVED

From where it all began

The Assam Kaziranga University - Exalted by nature, 42 acres of expansive campus, envisioned for providing holistic and neoteric **Industry 4.0** compatible educational facilities to students.

Founded in 2012 by the Khetan Industrial Group, Jorhat, The Assam Kaziranga University was established under the Assam Private Universities Act, 2007 (Act No. XII of 2007) as defined by Section 2 (f) of the University Grants Commission Act, 1956, approved by AICTE, and promoted by the North Eastern Knowledge Foundation (NEKF).

With an intention to provide unique learning experiences to students of the North-East, backed by global standards, we enable students to understand and develop the value of collaboration and create a community of not just employees, but entrepreneurs.
With our **seasoned faculty, from both industry and academia**, state-of-the-art infrastructure and the best of industry collaborations, we aim to nurture the biggest of aspirations and the tiniest of dreams.

Why KU for future?

Here's why the best chose us:

I have always aspired to study in a well-known university and having researched the academicians, infrastructure, and excellent alumni of the School of Basic Sciences at KU, I consider it a pleasure to be able to pursue my Post Graduation degree from here. With the onset of classes, I observe that the university focuses on career enhancement and encourages the students to achieve their goals.
I am looking forward to the next two years of my transformational journey.

Riya Mudoi (Gold Medalist)
BSc (Chemistry),
Dibrugarh University
(Joined our M.Sc program)

International Recognitions

Dr. Karthik Kovuri, Dean SET has been recognized as "The World Class Educator" and featured as one of the "Leading Professors from India". He is honoured with "Indian Academic Leader Award", "Jyeshta Acharya Award", "Microsoft Azure Educator Grant Award" and "Outstanding Teaching Faculty Award".

MBA Program

With **Dual Specialisation** in **Marketing, Finance, HR & IR, Operations and Hospital Administration**

SCHOOL OF BUSINESS

BTech (Regular/Lateral), MTech

- **Computer Science & Engineering**
- **Civil Engineering**
- **Electronics & Communication Engineering**
- **Electrical Engineering**
- **Mechanical Engineering**
  in assocation with top Industry Partners/organizations viz

IBM   **SIEMENS** Ingenuity for life   **SKILL DEVELOPMENT INSTITUTE BHUBANESWAR**   **Schneider Electric**

and more...

- **Visiting Faculty** from **IIM, XLRI, XIMB** and alike
- **Case study based** real-life business problem-solving teaching methodologies
- National & International **Immersion** programmes
- Placement possibilities in **KPMG, PWC, EY, Deloitte**
- **Business Analytics Certification Course** in collaboration with **KPMG**
- **Placement Oriented Training Program** in collaboration with **Samcara**
- In association with top ranking institutes/ organizations viz

KPMG   **SAMCARA**   **NSE**

To display North-East India's culture in the world forum, Dr. Abhijit Baruah and his team created history by producing the longest hand woven sheet silk (Gamusa) beating the previous record made by Indonesia and made the country proud.
It was 1455.3 metres and a new Guinness World Record was made. The initiative was whole heartedly supported by the **Kaziranga University** for being the catalyst of change in educational arena of the North-East.

Image for representation.
Photos couldn't be taken by KU students due to security protocols

NCC Students were given a hands on session right from inside the cockpit of a carrier plane AN-32, which is a twin-engine turboprop military transport.

The University's programs are influenced significantly by the National Education Policy (NEP) and Indian Knowledge Systems (IKS), fostering an interdisciplinary approach to learning by introducing 4-year Bachelor's degree programs with an exit policy after completion of 3 years.

Emphasizing holistic education, value-added courses, internships, research projects, etc. are incorporated into the curriculum every semester in collaboration with corporate houses such as IBM, KPMG, Samcara, etc., nurturing well-rounded graduates.

Kaziranga University launched its Hexapad Drone "Pushpak" on 31st October, 2019.
Students from School of Social Sciences mapped flooded areas with this indigenously built drone with sensors in **collaboration with School of Engineering and Technology (SET).**
School of Social Sciences has a field work based teaching approach for better exposure and clarity to the students.

Hexapad Drone "Pushpak" by KU

Entrepreneurs of KU

Meet our alumni and Co-Founders, Eko Delivery Service

Mrinmoy Nath, BTech (ME), 2019 | Pragyan Kashyap, BCom, 2020

Super successful Eko Delivery services was supported and incubated in Kaziranga University as part of it's mission to promote not just placement but entrepreurship for it's students.

- Recognized by Ministry of MSME
- Selected among top 20 start-up in IIT-Guwahati
- Eko Services Delivery app launched across Assam

SCHOOL OF BUSINESS

Programmes:

Undergraduate
4 Years Full Time**

- B.Com (Honours)
- BBA (Honours)

**Option to Exit in 3 Years

Postgraduate
2 Years Full Time

- MBA

  Dual Specialization in Marketing, Finance, Operations, HR & IR and Hospital Administration

Achievements:

- Kaziranga University's School of Business ranked **2nd** in the category of top B-Schools (Govt. & Pvt.) by State.

- Ranked amongst the top B-Schools of Excellence by *Competition Success Review (CSR)* 2021.

Why KU SOB?

The Kaziranga University School of Business (KU SOB) aims at holistic development of its students enabling them to become leaders and decision-makers of the future.

We imbibe in students the core principles of leadership, communication and co-creation, along with their domains of specialisation. With an ever evolving market we keep abreast our curriculum, making our students dynamic and future ready.

KU SOB offers a wide range of UG and PG programmes, which enable the students to be absorbed into the corporate world, with right kind of exposure and knowledge we aim at creating future entrepreneurs and managers.

- **Visiting Faculty** from **IIM, XLRI, XIMB** and alike
- **Business Analytics Certification Course** in collaboration with **KPMG**
- **Placement Oriented Training Program** in collaboration with **SAMCARA**
- **NSE Smart Simulation Lab Facility**
- **Students placed at PwC, KPMG, EY, Deloitte etc.**
- **Experiential Learning: Internships (Summer & Winter), Case Study & Project Based Pedagogy**
- **Value Added Courses on Digital Marketing, Derivatives, SPSS etc.**
- **National and International Immersion Programmes**
- **Immersion Programme** at **XIMB, SAMCARA** and alike

Corporate Training & Knowledge Partners*:

KPMG   NSE   Missouri State UNIVERSITY   SAMCARA

Eligibility Criteria:

B.Com (Honours)
- Passed 10+2 or Equivalent Examination in Science/Commerce with 45% marks (40% for SC/ST) in aggregate from an Approved Board.

BBA (Honours)
- Passed 10+2 or Equivalent Examination in Science/Commerce/Arts with 50% marks (45% for SC/ST) in aggregate from an Approved Board.

MBA
- Passed Bachelor's Degree of minimum 3 years duration from a Recognized University with atleast 50% (45% for SC/ST) marks in the Qualifying Examination.

*Partial List of Corporate Training & Knowledge Partners

DEANS MESSAGE

"KU School of Business (SOB) strives for the excellence in holistic development of its students. Besides providing industry ready experts for the corporate world, we also focus on nurturing leadership, creativity and innovation. I am proud of the faculty, students and alumni of SOB who are committed to contribute to nation building in all the ways they can. I heartily wish them all the best for all their future endeavors!!

- CSE

Achievements:

The Electronic Solar Vehicle Championship (ESVC, 2019) was organized by the Imperial Society of Innovative Engineers (ISIE) and Chandigarh University and is Asia's first solar-powered vehicle design and manufacturing event. The Kaziranga University's Team Tejas was the first-ever and only team from the North-East to have participated in such an event and won the Team Spirit Award and ISIE Future Award of **INR 1,00,000** on 31st March 2019. The five-day event at Chandigarh University, saw more than 60 teams participate from over 20 states.

The Student team "VENTRICLES" from School of Engineering and Technology has won the First Prize with a cash prize of Rs. 1,00,000/- in Smart India Hackathon SIH-2022 organized by Ministry of Education, India 0n 26-08-2022.

Why KU SET?

The School of Engineering and Technology (KU SET) aims at being a facilitator of growth and imparting quality engineering and technical education, with state-of-the-art infrastructure in diverse disciplines.

The school is producing highly qualified and skilled technical graduates and post graduates in all disciplines in order to meet the needs of neoteric industry.

Knowledge Partners*:

IBM | aws academy | Infosys Springboard | ORACLE ACADEMY

COMPUTER SOCIETY OF INDIA | CRANES | I.C.T | Cyber Labs

SIEMENS | SKILL DEVELOPMENT INSTITUTE BHUBANESWAR | Schneider Electric | National Academy of Construction

NIELIT | CSIR The Innovation Engine of India

Eligibility Criteria:

B.Tech
- Passed 10+2 Examination with Physics & Mathematics as compulsory subjects along with Chemistry/Biotechnology/Biology as one of the subjects.
- Obtained atleast 45% marks (40% in case of SC/ST category).

B.Tech (Lateral)
- Passed Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in any branch of Engineering and Technology.
- Passed BSc Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.

M.Tech
Passed B.Tech./B.E. in relevant field. Obtained atleast 50% (45% in case of SC/ST category) at the qualifying examination.

Programme Highlights
- Diversified Programs offered
- Rich Laboratories and Centres of Excellence
- State-of-the-art Infrastructure
- Outcome Based (OBE) Education
- Dynamic & Expert Faculty
- Industry Collaborations & Academic Partners of Technology Enrichment
- Trending Inter-disciplinary Research
- Impactful Placements

Some of the salient features of Curriculum include
- Choice Based Credit System (CBCS)
- Specialization based Courses
- Problem and Project based learning
- Experiential learning
- Innovation teaching learning practices
- Hands on focus on emerging technologies
- Valued Added Courses
- Mandatory Internships and Projects
- Soft skills
- Professional skills
- Industry awareness and latest technologies
- CO/ PO mapped syllabus and questions
- Stake holders feedback and revision
- UGC and AICTE guidelines
- In line with New Education Policy

M.Tech

CSE with following specializations: Artificial Intelligence and Machine Learning, Data Science.

CE with following specialization: Water Resource Engineering.

ME with following specialization: Production & Industrial Engineering, Thermal Engineering.

Virtual Infrastructure

We have one of the most powerful cloud computing infrastructure facilities in India at University level in partnership with AWS Cloud, IBM Cloud and Oracle Cloud.

amazon web services

IBM Cloud

ORACLE CLOUD

Ever imagined working on a

96 core virtual processor, 512 GB RAM computer with **2 GBPS internet speed?**
Experience the power at KU.

$800+ of free Amazon Web Services (AWS) cloud credit vouchers for students of KU.

Physical Infrastructure

We are **North-East India's only Private University** with state-of-the-art workshop for hands on practice of our engineering students on a diverse range of Industry 4.0 technologies.
1. TAL Brabo Industrial Robot
2. Industrial Automation lab powered by Bosch Rexroth
3. Siemens Mechatronics Systems
4. Centre of Excellence in Data Science, AR/VR, Cloud Computing, Big Data, IoT & Server Management (IBM Centre)
5. A fabrication lab with rapid prototyping equipment such as 3-D Printers
6. UTM of 1000 KNewton Capacity

DEANS MESSAGE

"KUSET is dedicated to become a globally recognized academic and research establishment fostering a culture of excellence in innovation, entrepreneurship and research among our students with the state-of-the-art engineering infrastructure. KUSET is committed to success of our students through innovative learning environment and holistic skill development.

SCHOOL OF HEALTH SCIENCES

Programmes:

Undergraduate
*4.5 Years Full Time
**4 Years Full Time

Bachelor of
- * Physiotherapy ● ** Optometry

B.Sc (Honours)
4 Years Full Time##

- Dialysis
- Operation Theatre Technology
- Advanced Imaging Technology
- Emergency and Critical Care
- Medical Laboratory Technology

##Option to Exit in 3 Years

Postgraduate
2 Years Full Time

M.Sc
- Microbiology
- Medical Laboratory Technology (Medical Microbiology)
- Biotechnology

Master of
- Physiotherapy (Neurology/Orthopedics)
- Optometry

Master of Optometry
- Passed Bachelor of Optometry with minimum of 45% marks in aggregate from a recognized University or equivalent.

MSc (MLT)
- Passed BSc in MLT/Biotechnology//Zoology/Biochemistry with minimum of 45% marks in aggregate from a recognized University or equivalent.

MSc (Biotechnology)
- Passed B.Sc in Botany, Zoology, Biotechnology, Microbiology, Agriculture & Life Science. Also graduates from BPharm with 60% in H.S. & qualifying UG degree.

Why KU SHS?

Health Sciences study all aspects of health, disease and healthcare. KU SHS, aims to impart the knowledge to its students for use in healthcare sector. Degrees in Health Sciences include knowledge from other fields, such as natural sciences, technology, engineering and mathematics, which can be applied in clinical healthcare research and practice, and in public health education.

Kaziranga University offers degrees in Health Sciences undergraduate, postgraduate & doctoral levels.

Internship & Project Training opportunities in Jorhat Medical College, AG Nursing Home, Sanjivani, Apollo Hospitals, Prism, Syncorp Health etc.

Internship & Knowledge Partners:

Eligibility Criteria:

Bachelor of Physiotherapy | Bachelor of Optometry
- Passed 10+2 with Biology or Life Sciences as one of the subjects with minimum 45% marks (40% for SC/ST category) in aggregate.

Master of Physiotherapy
- Passed Bachelor of Physiotherapy with minimum of 45% marks in aggregate from a recognized University or equivalent.

MSc (Microbiology)
- Passed BSc with minimum of 45% or more marks in Microbiology/Zoology/Botany/Biotechnology from a recognized University or equivalent.

BSc (Operation Theatre Technology/Emergency and Critical Care/ Advanced Imaging Technology/Dialysis/ Medical Laboratory Technology)
- Passed 10+2 with Biology or Life Sciences as one of the subjects with minimum 45% marks (40% for SC/ST category) in aggregate.

The tenure & syllabus of all UG programs may vary subject to the instructions of Allied Health Commission as and when applicable or come into force.

DEANS MESSAGE

"As the Indian government aims for Universal Health Coverage, the lack of skilled and allied health professionals may prove to be the biggest obstruction in its path to achieving its coveted goals. The SHS at Kaziranga University aims at contributing to society by fulfilling the gap of required skilled and allied healthcare professionals.

SCHOOL OF BASIC SCIENCES

Why KU SBS?

KU SBS supports the culture of research and development and acts as a foundation in achieving scientific literacy.

The School of Basic Sciences stands apart from other institutions of higher learning in the field because it is committed towards imparting knowledge in pure sciences, which not only forms the basis for further academic pursuits in science and technology, but also lays the foundation for students to further pursue post graduate courses in pure sciences.

Programmes:

Postgraduate
2 Years Full Time

MSc
- Chemistry
- Physics
- Mathematics

Achievements:

- One of the largest numbers of students cracking the Joint Admission Test For Masters (JAM) are from KU School of Basic Sciences

- **Anurag Dutta**
  M.Sc - Chemistry student ranked **No.1** in the **NE-SLET**

- We provide specialised training for exams like GRE, GMAT, TOEFL, IELTS, SLET, JAM etc. to our students

- Published a good number of Research Papers in various reputed Journals

Our Knowledge Partners*:

Eligibility Criteria:

MSc (Physics, Chemistry, Mathematics)

Graduates from any UGC recognized University in Science securing

- At least 45% marks with Physics, Chemistry, Mathematics as the Major (40% in case of SC/ST category)

  OR

- At least 50% marks in the subject (Physics, Chemistry, Mathematics) and 45% marks in aggregate (40% in case of SC/ST category) in case of general course students.

DEANS MESSAGE

"
The priority of the KU SBS is its students and we ensure this by offering value-added hard and soft skill workshops by experts, summer internships and project works in renowned research laboratories and in-house coaching for competitive examinations so that our students are ready for the industries, R&D and related higher studies.

MSW

Achievements:

Being an ardent supporter of instilling humanitarian values, the school has identified and adopted 5 villages in the vicinity, namely **Koraikhowa, Bhakatpamua, Mohbondha Grant1, Mohbandha Grant 2, and Mohbandha Grant 179.**
The students conduct various awareness drives such as **Swacch Bharat Abhiyan and Health & Hygiene awareness camp**, to name a few.

Kaziranga University launched its Hexapad Drone "Pushpak" on 31st October, 2019. **Students from School of Social Sciences** mapped flooded areas with this indigenously built drone with sensors in collaboration with School of Engineering and Technology. **School of Social Sciences has a field work based teaching approach for better exposure and clarity to our students.**

Why KU SSS?

KU SSS is a social catalyst which aims to build Social Engineers, working progressively for society where cultural ethos can be humanely blended with scientific temperament.

The School of Social Sciences, stands out with its on-the-job training methodology. We get on-the ground and feel the need and misery of people. We try to create empathic individuals who are scientifically driven to bring the right perception and change in society.

Teaching, skilling, research, providing consultancy and advisory services in social development projects, incubating innovative solutions for the people, facilitating public debate and policy advocacy on major social issues, civil society organisations and alike are our tools of creating change-makers. Needless to mention that we are aspiring to achieve sustainable development goals (SDGs), leaving no one behind. The School offers Undergraduate and Postgraduate courses in Social Work.

- **MSW Specialisation in Community Development, Medical & Psychiatric Social Work, Family & Child Welfare, Human Resource Management**
- **Field Based Learning: Exposure to Community & Learning, Interships in Agencies/NGOs & Corporates, Field-Based Project/Research, Dissertation etc.**
- **Placement in reputed organisations like OXFAM, NEADS, SESTA, People's Forum, Tata Tea, Farm 2 Food, RVC etc.**
- **Adopted nearby villages for field-based Practice**

SCHOOL OF COMPUTING SCIENCES

Programmes:

Undergraduate
4 Years Full Time**

BCA (Honours)
**Option to Exit in 3 Years

Specialisation in Artificial Intelligence, Cloud Computing, Software Engineering & Cyber Security

Postgraduate
2 Years Full Time

MCA

Academic Excellence & Value Additions:

To maximize the outcomes of the BCA and MCA Programmes in respect of employability, higher education, and entrepreneurship, a range of value additions have been incorporated into the curriculum. These value additions include job oriented guided internships and training with Industrial Partners at industry locations such as Bangalore, Pune, Hyderabad, and Chennai; Industry certifications by IBM, Oracle, AWS, DIRAC Business Solutions Pvt Ltd., Coursera as well as preparations for Government jobs. Students may also opt for certification by taking up certain additional courses during their BCA and MCA programs.

Why KU SCS?

Computers and Information & Communication Technology (ICT) have become all-pervasive, changing the way we used to conduct our daily lives or business. Consequently, there are huge opportunities for computer scientists, software professionals, and system analysts who have expertise in emerging technologies like Cloud Computing, Data Analytics, Cyber Security, IoT, Artificial Intelligence, etc. as the world is facing a huge demand-supply gap for competent technical manpower.

The School of Computing Sciences (SCS) tries to bridge the demand-supply gap between the industry requirements and the teaching-learning process in the classrooms by balancing rigorous academic course work with enriching real-world practice. To keep students abreast with emerging cutting-edge technologies to enhance their 'employability quotient, SCS has entered into active collaboration with many academic and industry partners to conduct hands-on training programs, workshops, seminars, etc.

Our Knowledge Partners*:

Eligibility Criteria:

BCA (Honours)
- Candidate must have passed 10+2 examination in Science/Arts/Commerce with a minimum of 45% in aggregate (40% for reserved category) preferably with Computer Science/ Mathematics as a subject in 10+2 or must have completed a diploma in CSE/IT/Any Engineering Branch from AICTE recognized Institute. Students should have English as their compulsory subjects

MCA
- Passed graduation in BCA/BSc (IT)/BSc (CS) or equivalent with atleast 45% marks from any recognized University (40% in case of SC/ST category) in aggregate.

DEANS MESSAGE

"The School of Computing Sciences (SCS) is making sincere effort to try and bridge the demand-supply gap between the industry requirements and the teaching-learning process in the classrooms by balancing rigorous academic course work with enriching real-world practice through industry collaborated curriculum, innovative initiatives for employability skills and a complete eco-system for holistic overall development to promote excellence among students for promising IT professional future.

SCHOOL OF PHARMACY

Programmes:

Diploma
2 Years Full Time

- D.Pharm

Undergraduate
4 Years Full Time

- B.Pharm

Why KU SOP?

The B. Pharmacy (Bachelor in Pharmacy) program from the School of Pharmacy, The Assam Kaziranga University is approved by Pharmacy Council of India, New Delhi (PCI) and All India Council for Technical Education, New Delhi (AICTE).

Bachelor of Pharmacy (B.Pharm) is a four-year undergraduate degree course in the field of Pharmacy education. The students those are interested in the medical field (except to become a doctor) can choose this course after the completion of class 12th (PCM/B).

Diploma in Pharmacy is two year long career-oriented, diploma course. Students who wish to pursue a long-term career in the medical field of pharmaceutical sciences, starting in entry-level positions are suitable for this course.

Internship & Knowledge Partners:

Eligibility Criteria:

D.Pharm

- Passed in any of the following examinations whether optional or compulsory subjects (Physics, Chemistry, Biology and or Mathematics including English as one of the Compulsory subjects with minimum 40% marks in aggregate).

B.Pharm

- Passed 10+2 examination or equivalent in Science stream with 45% (40% for SC/ST) marks in aggregate with PCM or PCB or PCMB as combination with English as one of the subjects.

DEANS MESSAGE

SCHOOL OF NURSING

Programmes:

Undergraduate
4 Years Full Time

- B.Sc (Nursing)

Why KU SON?

Nursing is a vital healthcare profession focused on the holistic care and support of individuals, families, and communities to promote and maintain optimal health and well-being. Nurses play a central role in the healthcare system by assessing, planning, implementing, and evaluating patient care, collaborating with interdisciplinary teams, and providing emotional, physical, and educational assistance to patients across various settings. With a foundation in science, empathy, and ethics, nursing encompasses a wide range of responsibilities, including administering medications, monitoring vital signs, offering patient education, and advocating for patients' rights. Through their compassionate and skilled interventions, nurses contribute significantly to the enhancement of health outcomes and the overall quality of patient-centered care.

Eligibility Criteria:

B.Sc (Nursing)

Applicants must fulfil the following norms.

- Passed 10+2 with minimum of 45% (40% in case of SC/ST/OBC category) marks in Physics, Chemistry & Biology taken together & passed in English as a compulsory subject.

- Age Criteria- Minimum age of 17 years on 31st December of the year in which admission is sought and maximum age limit of 35 years.

- Selection of candidates will be based on the merit of the entrance examination comprising of Aptitude for Nursing (20 marks), Physics (20 marks), Chemistry (20 marks), Biology (20 marks) and English (20 marks). Minimum qualifying marks has to be 50%.

Approved by

ASSAM NURSES' MIDWIVES & HEALTH VISITORS' COUNCIL

Achievers of KU

Whenever I see a beautiful sunset from the healthy breathing campus, it gives me good and positive vibes, that expands my imagination to think something extraordinary and relax my mind to create a piece of art.

Bivek Deb
BTech

There are days when everything seems gloomy and efforts going in the wrong direction. However, thanks to all my friends and faculty at Kaziranga University, their guidance helped me do things a little differently and come up with the idea of making the smallest Flute from a Pen. I am now certified by the India Book of Records.

Nayan Jyoti kakaty
BTech

Doing something good for society has always been one of my ambitions. When I enrolled in KU's MSW programme, it equipped me with the technical 'know-how' to make this happen. Special thanks to our internship programmes and the vibrant faculty members who supported me. This encouraged me to work on the concept of our organization. My fantastic team has helped me put the idea into action, which has resulted in the establishment of the organization.

Angel Pratim Dutta
MSW

My journey into rock climbing was accidental, but thanks to the University NCC team, they helped me make it a dream and also encouraged me to chase it. I just didn't make it to the ascent but successfully participated and received a certificate and medal for All India Rock Climbing Training Camp Girls (2020-2021) under the 3MP Girls Battalion NCC, Gwalior.

Pragyanna Hazarika
BPharm

This university gave me a great opportunity to understand music in a better way.
The environment, the people from different cultural backgrounds helped me in knowing and exploring different cultural activities. So it's a great feeling once you step in here as it offers a great platform to explore your talent beside the academic career.

Akash Pratim Boruah
MBA
Nature has always been my greatest inspiration and the atmosphere of KU campus is so serene, it nurtured my art journey. This university helped me showcase my talent on bigger platforms like IIT Guwahati and Dibrugarh University. Professors are very
supportive and willing to go the extra mile to ensure we achieve what we're capable of. These three years in the university has shaped my overall outlook about art.

1 Community Club

2 Art and Culture Club

3 Body and Soul Club

4 Entrepreneurship Club

5 Literary Club

Along with their personality we set the students free to flourish their creative instincts and cognitive abilities with different clubs established.

Our Global Connect

Unity in diversity is what our multicultural ethnicity aims at imbibing within the students by creating a diverse campus-culture of Co-Creators. With an assorted cultural outlook, we aim at their cognitive and holistic development.

The International Relations Office (IRO) plays a pivotal role in delivering this learning experience. It provides a host of services to the University's students, including integrating international students into the University culture, academic and social mentoring, counselling for international higher education, and preparation for tests like TOEFL, IELTS, GMAT, GRE etc.
Partnerships and Associations with the Best of Global Universities

The world is looking for co-creators and we at KU are imbibing the culture of empathy, co-creation and collaboration, whilst training our students to become industry 4.0 ready and gain world class education.

Being associated with educational institutes, KU steps forward in collaboration and co-creation through joint research, collaborative projects, webinars, visiting faculty, and short-term academic programmes for students in the form of specially curated courses, semester abroad programmes, and summer and winter schools.

Higher Education

KU has tied up with multiple reputed universities and institutes as "Knowledge Partners" to enrich the learning opportunities for its students. These associations help us in internationally benchmarking our academic curriculum and providing technical expertise in its delivery.
Banashree Gogoi - 4th Semester, MSc Chemistry student from the School of Basic Sciences, has been accepted into the PhD program at the Department of Chemistry & Chemical Biology, **University of Arizona, United States,** with a full 5-year fellowship.

Our associations with reputed HEIs in Europe and other parts of the world provide higher education opportunities to the students of Kaziranga University.

KU has also set up a Centre of Excellence (CoE) which focuses on assisting it's students looking to undertake higher studies abroad.

Chancellor's Message
"The Assam Kaziranga University welcomes you to an environment of holistic growth, global exposure and the knowledge hub of neoteric education. With an aim of building a community of not just job seekers but leaders and entrepreneurs, we enable students to understand and develop their cognitive intellect. To meet the aspirations of the North east region, the University nurtures an ethos and culture of modern and globalised learning processes within affordable means. Effective and technologically advanced tools and methods help students acquire knowledge in a learning-friendly environment. The KU campus is vibrant and self-sufficient in terms of facilities. It has canteen with cafeteria, library, a medical centre, stationery shop, etc. The extra-curricular and co-curricular activities serve as a viable platform for overall growth and development of students. KU is committed to creating global citizens and earning the faith and confidence of all stakeholders.

- Dr. M.D. Khetan

Pro Chancellor's Message

"We warmly welcome you to Kaziranga University. In pursuit of excellence in teaching and research, the University focuses on three pillars of enlightenment: Academic Excellence, Ethical Values and Social Responsibility. We strive to impart lessons that can produce competent, dedicated and empathic graduates who can create a new wave of acumen and energy among the people they work with. We constantly scan developments and changes in socio-economic landscape and work proactively to meet upcoming challenges. We aspire to build a technology-driven modern society with an aim of inclusive and sustainable development. As a brand ambassador of Techno-ethical learning, the University has a contemporary syllabus, experienced faculty members and a well-stocked library.

- Shri Basant Khetan

Pro Chancellor's Message

Honouring our commitment to contribute to the development of this country through education, Kaziranga University has been playing an integral role in North-East India. We are dedicated to producing future leaders who will act as catalysts in bringing growth and progress to the region. We at KU have enthusiastically committed ourselves to providing young minds the best of education. Our programmes, activities and events are all designed keeping in mind the dynamic social landscape of the 21st century. At Kaziranga University, holistic learning and development is heartily encouraged. With our seasoned faculty, staff, state-of-the-art infrastructure and best-in-industry collaborations, we aim to nurture the biggest aspirations and the tiniest of dreams.

Welcome to Kaziranga University!

- Ms. Rainy Khetan

Vice Chancellor's Message

"

In varied ways, Kaziranga University has been distinct from day one: enlarging the scope and delivery of higher education so as to meet the needs of emerging and aspiring youth, embracing the neoteric methodology of education creating new age entrepreneurs and leaders. Helping students gain real-world knowledge that employers of today look for in their teams at work is our tradition, and enhancing the overall aptitude of all students is one of our values.

KU offers a diversity of programs, with people exploring new ideas, adopting new skills, pursuing new knowledge, creating new benchmarks, novel discoveries, creativity, and vigorous intellectual exchange.

We appreciate your interest in learning more about the prestigious learning hub, Kaziranga University.

- Dr. P.K. Mishra

Registrar's Message

"

Welcome to The Assam Kaziranga University, Jorhat! As the Registrar, I am thrilled to be part of a University dedicated to excellence in education, research, and community engagement. We take pride in fostering a dynamic learning environment, encouraging students to explore passions, develop critical thinking, and become global citizens.

Our faculty excels in cutting-edge research and innovative teaching, providing a world-class education for success in diverse fields. The University embraces diversity, creating a supportive community for personal growth, leadership development, and lasting friendships. Our vibrant campus offers a range of extracurricular activities to cater to various interests. Looking ahead, our commitment to academic excellence, innovation, and community service remains unwavering. Join us on this incredible journey at The Assam Kaziranga University, where together, we'll strive for excellence and make a lasting impact on the world.

CONTINUATION OF MERIT SCHOLARSHIP IN THE 2ND AND SUBSEQUENT SEMESTERS

In order to continue availing the Merit Scholarships offered by The Assam Kaziranga University in the subsequent Semester/Semesters of the programme, any enrolled student in the university, who is also a scholarship holder, needs to fulfil all the below mentioned terms and conditions:

% of Scholarship Given	SGPA Required
To continue availing **100%** scholarship	A student must secure **9.5 SGPA** in every semester examination.
To continue availing **70%** scholarship	A student must secure **9 SGPA** in every semester examination.
To continue availing **50%** scholarship	A student must secure **8.5 SGPA** in every semester examination.
To continue availing **30%** scholarship	A student must secure **8 SGPA** in every semester examination.

Starting from the second semester onward, students are required to pay the full tuition fees. However, upon the announcement of results and fulfillment of the scholarship criteria, the corresponding scholarship amount will be reimbursed to the student's account.

Additionally, a student needs to meet the below mentioned criteria to continue availing this Merit Scholarship:

- The scholarship for the students of the D.Pharm program will be calculated based on the 1st year performance.

- A student must clear all the papers in each semester and should not carry any backlog in any semester, from the previous academic year.

- A student must have at least 80% of attendance in all subjects in each semester from the previous academic year.

- The category in which a student is awarded a scholarship cannot be converted to any other category. In case a student fails to secure the required SGPA for a particular category, he/she will not be eligible for continuation of scholarship in any other category. For example, if a student availing 100% scholarship does not secure 9.5 SGPA but secures 9 SGPA, then he/she will be disqualified for 100% scholarship and at the same time will not be eligible for 70% scholarship or any other Scholarship.

- A student found guilty of involvement in any untoward incident or exhibiting disruptive or undisciplined behaviour (including ragging) will be disqualified for award of scholarship.

- In case a student, availing the Merit Scholarship - On Admission, fails to fulfil the condition for continuation of scholarship in the subsequent year/years, he/she will be required to make complete fee payment for the subsequent year/years, as prescribed for other students.

- A student once disqualified or having a break in scholarship will not be eligible for continuing this scholarship in the future.

- If any enrolled student availing the Merit Scholarship wants to avail the hostel or transportation facilities, he/she will have to pay the full hostel/ transportation fees as prescribed for other students.

- The Assam Kaziranga University Management shall take the final decision of granting/ approving this Merit Scholarship.

Director (Admission)'s Desk

Mr. Bobby Roy

"Yet all experience is an arch wherethro'
Gleams that untravell'd world"

— Lord Alfred Tennyson, Ulysses

At the Kaziranga University we believe in making the pursuit of education an experience that leads to the unveiling of a child's true potential. In a world that is becoming so competitive by the day, we provide our students with the opportunity to hone their skills, ambitions and passions in a career oriented manner. This is achieved through multiple collaborations with industry leaders that help deliver our courses; a dedicated faculty pool, untiring and unwavering in their commitment towards providing education par excellence; and an array of support staff that has led to an unparalleled placement record.

Our aim is to develop the most employable student at the end of his or her tenure with KU, and I am proud to say that this endeavour has been successfully been fulfilled year after year. A large part of this success may be attributed to the fact that KU focuses on the development of practical knowledge, through lab work and internships at some of the leading companies in the world and the country. This coupled with state of the art infrastructure facilitates the wholesome development of a student, both mentally and physically, leading to our students get placed in worldwide leaders like Audi, Intel, TCS, IBM, Amazon, Capgemeni, Nestle to name a few.

In choosing KU, you make the decision to become a part of worldclass experience that is painstakingly put together by members of this family, and an experience that opens doors like no other! Welcome!
