We are
KUbuntu Co-Creators

Assam Kaziranga University recognized amongst the top performing Institutions
by Institution's Innovations Council (IIC), Ministry of Education, 2021

From where it all began

The Assam Kaziranga University - Exalted by nature, 50+ acres of expansive campus, envisioned for providing holistic and neoteric **Industry 4.0** compatible educational facilities to students.

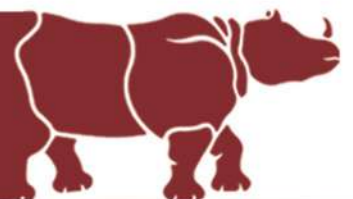

Founded in 2012 by the Khetan Industrial Group, Jorhat, The Assam Kaziranga University was established under the Assam Private Universities Act, 2007 (Act No. XII of 2007) as defined by Section 2 (f) of the University Grants Commission Act, 1956, approved by AICTE, and promoted by the North Eastern Knowledge Foundation (NEKF).

With an intention to provide unique learning experiences to students of the North-East, backed by global standards, we enable students to understand and develop the value of collaboration and create a community of not just employees, but entrepreneurs. With our **seasoned faculty, from both industry and academic arena**, state-of-the-art infrastructure and the best of industry collaborations, we aim to nurture the biggest of aspirations and the tiniest of dreams.

Where is it?

Kaziranga University is located amidst the meadows of nature, to let the students study in a peaceful atmosphere avoiding commotion.

KU Students

The heart of any institution is its culture, ours happens to be **Selfless, Collaborative and that of Co-creation**. The world is looking for co-creators and we at **KU** are imbibing the culture deeper into the DNA of our students. We don't end here, we have an open cafe called Bhukkad and KU cafe, because we know that conversations spark new ideas and ideas become unicorns when we talk over a cutting chai or a cup of coffee.

Culture: Collaborative. Curious. Selfless

The Co-Creators

Talent Tantra

The Annual Fest of Kaziranga University

One of the largest and most happening University festivals of India, Talent Tantra is a box filled with all the mojoness of young energies, celebrities and raw talents, that collaborate and create an aura to be felt not heard.

Sorry, we could not add more images...to see one of India's biggest fest - 'Talent Tantra' in action, **scan the QR code**

Why KU for future?

We have ranked amongst the top Universities in Assam for our exceptional Annual Performance, also selected as the Mentor Institute amongst the Top 50 Universities and the **only one in the Northeast** under The Mentor-Mentee Program 2020-21,

by Institution's Innovations Council' 21 (A Ministry of Education Initiative)

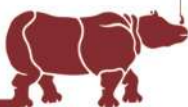

Virtual Infrastructure

We have one of the most powerful cloud computing infrastructure facilities in India at University level in partnership with **AWS Cloud, IBM Cloud and Oracle Cloud.**

\$800+ of free Amazon Web Services (AWS) cloud credit vouchers for students of KU.

Ever imagined working on a **96 core virtual processor, 512 GB RAM computer with 2 GBPS internet speed?** Experience the power at KU.

Patent Obtained' 21

Dr. M K Loganathan,
Prof. & Associate Dean (PG) HoD - ME

Earned three patent rights in collaboration with foreign Universities for M.Tech projects.

Here's why the best chose us:

Riya Mudoi (Gold Medalist), BSc (Chemistry), Dibrugarh University (Joined our MSc program)

I have always aspired to study in a well-known university and having researched the academicians, infrastructure, and excellent alumni of the School of Basic Sciences at KU, I consider it a pleasure to be able to pursue my Post Graduation degree from here. With the onset of classes, I observe that the university focuses on career enhancement and encourages the students to achieve their goals. I am looking forward to the next two years of my transformational journey.

To know more about our School of Engineering & Technology,

Kaziranga University's **SCHOOL OF BUSINESS** ranked **2nd** in the category of top B-Schools (Govt. & Pvt.) by state and also ranked amongst outstanding B-Schools of Excellence by **Competition Success Review (CSR)** 2021.

MBA Program

With **Dual Specialisation** in Marketing, Finance, HR & IR, Operations, Hospital Administration

- **Visiting Faculty** from IIM-Calcutta, IIM-Lucknow, IIM-Shillong, XLRI and alike
- **Case study based** real-life business problem-solving teaching methodologies
- National & International **Immersion** programmes
- In association with top ranking institutes /organizations viz

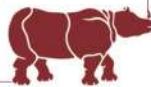

Kaziranga University launched its Hexapad Drone "Pushpak" on 31st October, 2019. Students from School of Social Sciences (SSS) mapped flooded areas with this indigenously built drone with sensors in **collaboration with School of Engineering and Technology (SET)**. SSS has a field work based teaching approach for better exposure and clarity to our students.

Hexapad Drone "Pushpak" by KU

BTech (Regular/Lateral)/BTech+

- **Guided Internship & Training**
- **Industry 4.0** Certifications of Competency & Skills
- **Autodesk Design** and Engineering Club
- **Coursera Certifications**
- **GATE/CII-IPATE/Competitive Examination Preparations**
- In association with top Industry Partners/organizations viz

Good number of students are cracking the **JAM** from KU School of Basic Sciences

Anurag Dutta
MSc - Chemistry student
ranked **No.1** in the **NE-SLET**

To display the North-East's culture in the world forum, Dr. Abhijit Baruah and his team created history by producing the longest hand woven sheet silk (Gamusa) beating the previous record made by Indonesia and made the country proud. It was 1455.3 metres long and a new Guinness World Record was made. The initiative was whole heartedly supported by the **Kaziranga University** for being the catalyst of change in the region.

Pankaj Hazarika
KU Student

Dean's Message

CDPC aims at providing the students of KU a bright career, be it in terms of **Jobs, Higher Studies or Entrepreneurship**.

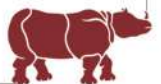

To achieve the same, we continuously strive to develop the **employability skills of all the students, by developing their Aptitude, Communication and Personality**. We have incorporated these skill development programs into their curriculum and are yielding good results.

Prof. Puranjoy Das
Dean, Career Development
& Placement Cell (CDPC)

CDPC organizes **Seminars, Workshops, Webinars, Guest Lectures and Live Projects** for its students along with **mentorship sessions** from our **Alumni** to get an insight into the corporate world.

CDPC also conducts **On-Campus, Pool-Campus, Job Fairs, and recruitment drives** for **KU Students** and other students of the region to increase the employment ratio of the North-Eastern region.

Entrepreneurship

KU is the first academic partner of **ASSAM STARTUP - The NEST** (a Govt. initiative), becoming the **1st** university to start an incubation center within the campus for budding entrepreneurs.

Within this initiative we have one such success story – **EKO Delivery**.

The alumni of KU have been pursuing higher studies in various reputed institutions like

We are recognized by AICTE, UGC and AIU;
but also adored by our alumni

  <p>The 4 years spent at KU were remarkable. As a student of KU, I got to pursue my bachelor's last semester at the prestigious Technische Universität Chemnitz, Germany. I am immensely thankful to all my mentors for the constructive criticism and support they provided me throughout my journey. I will always be a proud KUian.</p> <p>Farhana Yashmin Rahman BTech – ECE Audi Germany</p>	  <p>I joined KU fickle-minded about my career. The MBA course at KU helped me develop holistically, giving industry knowledge and insights to the business world. With the mentoring, I got placed at Emirates Healthcare Group, Dubai, I am confident that this milestone is just the beginning. Thanks, KU for this opportunity.</p> <p>Charmingstar Kharsyntiew MBA Emirates Health Care Group, Dubai</p>	  <p>I got placed in HCL Technologies, before the completion of my BTech degree, through an on campus recruitment drive conducted by CDPC. Thank you KAZIRANGA UNIVERSITY for giving me this opportunity.</p> <p>Twinkle Kaur BTech – CSE HCL Technologies Ltd. New Delhi</p>	  <p>KU is the most cherished part of my education life. The encouragement received from my faculties was a turning point of my life as it helped me build self confidence which led to my selection for the PhD programme at Tezpur University.</p> <p>Gaurav Gogoi MSc (Chemistry) BCPL Assam</p>

Know where our Alumni are placed

Our Global Connects

Unity in diversity is what our multicultural ethnicity aims at imbibing within the students by creating a diverse campus-culture of Co-Creators. With an assorted cultural outlook, we aim at their cognitive and holistic development.

The International Relations Office (IRO) plays a pivotal role in delivering this learning experience. It provides a host of services to the University's students, including integrating international students into the University culture, academic and social mentoring, counselling for international higher education, and preparation for tests like TOEFL, IELTS, GMAT, GRE etc.

Partnerships and Associations with Best of Global Universities

The world is looking for co-creators and we at KU are imbibing the culture of empathy, co-creation and collaboration, whilst training them to become industry 4.0 ready and gain world class education.

KU has tied up with multiple reputed universities and institutes as "Knowledge Partners" to enrich the learning experiences for its students. These associations help us in benchmarking our academic curriculum internationally, thus providing technical expertise in its delivery. Being associated with educational institutes, KU steps forward in collaboration and co-creation through joint research, collaborative projects, webinars, visiting faculty, and short-term academic programmes for students in the form of specially curated courses, semester abroad programmes, and summer and winter schools.

Higher Education

Our associations with reputed HEIs in Europe and other parts of the world provide higher education opportunities to the students of Kaziranga University.

KU has also set up a Centre of Excellence (CoE) which focuses on assisting its students looking to undertake higher studies abroad.

Banashree Gogoi - 4th Semester, MSc Chemistry student from the School of Basic Sciences, has been accepted into the PhD program at the Department of Chemistry & Chemical Biology, **University of Arizona, United States**, with a full 5-year fellowship.

Milestones

Kaziranga University's NCC cadets, marched with India's mighty NCC Contingent at the 72nd Republic Day Parade '21 in New Delhi.

Electronic Solar Vehicle Championship (ESVC)

The Electronic Solar Vehicle Championship (ESVC, 2019) was organized by the Imperial Society of Innovative Engineers (ISIE) and Chandigarh University and is Asia's first solar-powered vehicle design and manufacturing event.

The **Kaziranga University's** Team Tejas was the first-ever and only team from the North-East to have participated in such an event and won the Team Spirit Award and ISIE Future Award of 1 lakh INR on 31st March 2019.

The five-day event at Chandigarh University, saw more than 60 teams participate from over 20 states.

Entrepreneurs of KU

Super successful Eko Delivery services was supported and incubated in Kaziranga University as part of its mission to promote not just placement but entrepreneurship for its students.

- Recognized by Ministry of MSME
- Selected among top 20 start-up in IIT-Guwahati
- Eko Services Delivery app to be launched across Assam

Meet our alumni and co-founders

KU Patents Filed

Smart Dustbin: A voice controlled dustbin which can be controlled through mobile as well as AI enabled voice controlled mechanism connected with Alexa. Physically disabled person can call the dustbin and dustbin will go and meet the sound source and collect the garbage and return back. If any obstacle comes in between then dustbin will change direction to avoid collision.

A system to monitor Moisture Level in the soil: This invention relates to collect the soil parameters like moisture level, pH level, temperature etc

remotely and provide the real time data to the farmer from remote location. The farmer can monitor the soil condition from remote location through in build mobile and take necessary action.

Amenities

Library - from Sheldon to Kotler, the range varies

We make sure that
KU is your home
away from home

Kaziranga University is a world within the campus, and allows you to be proactive in your choices for a better future. The university has made all possible attempts to keep it's students engaged and motivated during the period when they are away from their homes.

WiFi enabled campus - because lets admit, you cant survive without it!

Cafeteria - your birthday, your friend's birthday, your friend's friend's birthday, you get the reason we have the cake

Sports Arena - here you can bend it like Beckham!

Language Lab - o genki desu ka?, didn't get? We'll teach you!

Multi-Facility Air-conditioned Auditorium - for the Shakespeare in you

Air Conditioned Classrooms - for that cool breeze in summer

Workshop/Skill Development Centre - enabling you to be an explorer

Gym - from Khali to Mary Kom, we have resources for all

Medical Room - for every sickness except for when you get homesick!

From the Dean's Desk

School of Business

KU School of Business (SOB) strives for the excellence in holistic development of its students. Besides providing industry ready experts for the corporate world, we also focus on nurturing leadership, creativity and innovation. I am proud of the faculty, students and alumni of SOB who are committed to contribute to nation building in all the ways they can. I heartily wish them all the best for all their future endeavors!!

Dr. Manvinder Singh Pahwa
PhD – MLS University, Udaipur

School of Engineering & Technology

KUSET is dedicated to become a globally recognized academic and research establishment fostering a culture of excellence in innovation, entrepreneurship and research among our students with the state-of-the-art engineering infrastructure. KUSET is committed to success of our students through innovative learning environment and holistic skill development.

Dr. T V V L N Rao
PhD – IIT, Delhi

School of Health Sciences

As the Indian government aims for Universal Health Coverage, the lack of skilled and allied health professionals may prove to be the biggest obstruction in its path to achieving its coveted goals. The SHS at Kaziranga University aims at contributing to society by fulfilling the gap of required skilled and allied healthcare professionals.

Dr. Ashok Kumar Kayal
DM (Neurology), PGIMER, Chandigarh
MD (General Medicine), GMC

**KU+Ubuntu
=KUbuntu**

Ubuntu - "I am, because you are".

It is that nebulous concept of common humanity, oneness: humanity, you and me both.

Co-creation means someone who creates something jointly with another person or people.

The world/Industries are hiring candidates with a collaborative and co-creators approach instead of just course knowledge. We as KUbuntu Co-Creators not only follow the path of Collaboration and Co-Creation within our KU Schools for different student projects but also, imbibe a certain set of soft skills in our students' life while staying in the University and make them industry-ready by being collaborative and selfless in work.

Mr. Bobby Roy
Chief Marketing Officer
Dean-Admissions

School of Basic Sciences

The priority of the KUSBS is its students and we ensure this by offering value-added hard and soft skill workshops by experts, summer internships and project works in research laboratories and in-house coaching so that our students are ready for the industries, R&D and related higher studies.

Dr. Jayanta Kumar Sarmah
PhD – Gauhati University

School of Social Sciences

KUSSS is a centre of exploring the possibilities for the most whole use of knowledge about society, social issues and its solution for a better and systematic social development. KUSSH has been achieving a significant milestone in imparting knowledge and promoting research and various levels of social development since its beginning.

Prof. (Dr.) Chandra Kanta Gogoi
PhD – Dibrugarh University

School of Computing Sciences

KUSCS is making sincere effort to try and bridge the demand-supply gap between the industry requirements and the teaching-learning process in the classrooms by balancing rigorous academic course work with enriching real-world practice through industry collaborated curriculum, innovative initiatives for employability skills and a complete eco-system for holistic overall development to promote excellence among students for promising IT professional future.

Prof. Ratan Kumar Saha
MSc (Maths with CS) – IIT Kharagpur
DIIT – IIT Kharagpur
