

**The Assam Kaziranga University
Jorhat**

Academic Regulations-2019
(For Doctoral Programme)

The objectives of The Assam Kaziranga University (KU) as enshrined in the Vision and Mission require it to foster research in the emerging areas of science and technology, management, food, agriculture and social sciences with relevance to India ensuring significant contribution to societal development and advancement of knowledge in respective areas.

The Degree of Doctor of Philosophy (Ph.D) is the Research Degree of The Assam Kaziranga University. Ph.D is the highest academic degree awarded by KU. The Rules and Regulations for Doctoral Degree of KU provide the information and guidelines on the framework within which the University expects research degrees to be awarded and administered.

2. Right to interpretation and amendment

The Academic Council of Kaziranga University with due approval of the Board of Management shall have the right to interpret and amend these regulations.

3. General Definitions

- 3.1.** “**Research**” shall mean systematic study or investigation in order to discover and underpin new knowledge in the form of facts and establish new conclusions or interpretation of ideas or inventions of new devices.
- 3.2.** “**Doctor of Philosophy (Ph.D)**” signifies that the awardee of the degree has successfully completed the stipulated programme of research which has been conducted and reported by the holder in the form of a thesis based on the original research work done by him/her under proper academic supervision.
- 3.3.** “**Act**” shall mean **the Assam Private University Act 2007**.
- 3.4.** “**Applicant**” shall mean an individual who applies on a prescribed application form for admission to a Ph.D programme.
- 3.5.** “**Candidate**” shall mean a student who is admitted to Ph.D programme of Kaziranga University through the procedures adopted by the University.
- 3.6.** “**CoE**” shall mean *Controller of Examinations* of the University.
- 3.7.** “**Course Work**” shall mean course units prescribed by University to be completed by a candidate towards partial fulfillment of the requirements of Ph.D programme.
- 3.8.** “**Registration**” shall mean formal enrolment of a candidate for a Ph.D programme.

- 3.9. “Date of registration”** of Full Time Research Scholars may be accepted as date of admission in the Ph. D Programme of the University on the recommendations of the *University Doctoral Research Committee* (UDRC). Chairman of Academic Council can accord the approval for such registration, while the same should be ratified by the Academic Council later on.
- 3.10. “Registration Period”** shall mean the length of time span commencing from the date of registration and ending on the date of submission of the thesis. The Registration for Ph.D. Programme will normally be valid for a duration of 6 years. In case the candidate fails to submit his work within 6 years, he/she would be required to make a fresh application for renewal of Registration. However, the submission of thesis for such candidates may be done at any time after renewal of registration, but within a maximum period of two years.
- 3.11. “Supervisor”** shall mean a faculty member of the University, approved by UDRC to supervise the research work carried out by the candidate.
- 3.12. “Academic Council (AC)”** shall mean the Academic Council of the University constituted under the provisions of the Act.
- 3.13. “University Doctoral Research Committee (UDRC)”** is the apex body that administers the research programmes of the University. The Vice-Chancellor of the University shall constitute the committee. The Research Committee shall consist of:
- a. Vice-Chancellor or his /her nominee as Chairperson .
 - b. Dean, Research & Development / Director, Engineering Research & Consultancy as secretary
 - c. Deans of the School
 - d. Head of concerned Department
 - e. One expert from outside the university who is an eminent Professor/Scientist to be nominated by the Vice- Chancellor as a member
 - f. Registrar of the university shall act as member
- 3.14. Duties and Powers of UDRC:**
- i. Discuss and formulate the Rules and Regulations for Doctoral Degree and suggest amends if necessary over the time and consider the recommendations from *Student Doctoral Programme Committee* (SDPC) regarding doctoral studies.
 - ii. Examine the research proposal of the candidates duly recommended by the SDPC. Depending on the merit and suitability of the research plan, UDRC may

- approve or reject or ask the candidate to modify/rephrase the research objectives, title of research etc.
- iii. Examine the qualifications/experience of the proposed Supervisor(s) and make recommendations regarding his/her/their suitability to guide the research work.
 - iv. Examine the progress reports of the research students duly forwarded by SDPC.
 - v. UDRC of KU will meet twice in each academic session at regular intervals.
 - vi. 50% attendance of the members of the UDRC shall form the quorum for the meeting.
 - vii. The minutes of the UDRC meeting shall be placed in the meeting of the Academic Council (AC) for ratification.

3.15. Student Doctoral Programme Committee (SDPC):

The formation of the SDPC will be initiated by the Supervisor to monitor the progress of each of the research students. **The SDPC shall consist of the Supervisor, two faculty members/experts of the concerned department/centre in which the research student pursues his/her research work and another member/expert from allied department(s)/centre(s) of the University or from other reputed Institutions. Supervisor shall be the Chairperson of SDPC. The minimum number of members of SDPC shall be 4 (four).** Additional members may be opted as and when required subject to the prior approval of UDRC. The principal Supervisor shall propose the names of the members of SDPC, through the Dean of respective Schools, for approval of UDRC.

3.15.1 Duties and Powers of SDPC:

1. Examines the candidate's proposed plan of research along with the objectives, title of the proposal, methodology and if found suitable recommends for consideration to the UDRC.
2. Examines the semester wise progress report of the doctoral students and forward it to the UDRC.
3. Examines the draft version of the thesis of the doctoral student before sending for final evaluation by the external examiners
4. Conducts a pre-thesis submission seminar, which will be open to all faculty members and research/doctoral students, for getting feedback and comments, which may be incorporated into the draft thesis if found suitable by the committee.
5. Propose to the UDRC at the time of pre-thesis submission seminar, the panel of External Examiner for the final evaluation of the Ph.D thesis which shall consists of all SPDC members and two external examiners, out of which at least one will be out of state/country.
6. No thesis should be forwarded to external evaluators unless a research paper/s on thesis is published or accepted for publication in a Refereed Journal and make two paper presentation in conference/seminar before the submission of the thesis.
7. On receipt of the satisfactory evaluation reports, SDPC shall arrange the final Viva-voce to evaluate the quality and impact of the research work carried out by the doctoral student. The viva - voce is an essential component of the evaluation process and shall also be open to all interested faculty members, Ph.D Scholars and students. The panel for Viva-voce examination shall consist of the supervisor /Co-supervisor and other committee members, and one of the external examiners of the thesis evaluation panel. If none of the external examiner(s) is available for Viva-voce examination, an alternative examiner shall be appointed by SDPC, subject to the approval of UDRC.

4. Management and Co-ordination of Ph.D Programme

- 4.1. Academic Programme leading to the award of Ph.D degrees shall be organized and managed by the AC, UDRC, SDPC and any other committee(s) constituted by the authority empowered under the Statutes, Ordinances and Regulations.
- 4.2. Constitution, composition, functions and powers of these bodies will be as specified in the Act, the Statutes, the Ordinances and the Regulations.
- 4.3. If any Ph.D student happens to be a family member or a close relative of the chairperson of the UDRC/ SDPC, a senior member nominated by the Academic Council (AC) shall perform the duty of the chairperson of the respective committee.

5. Other Requirements

- 5.1. The Ph.D degree is awarded to a candidate, who, as per these regulations, has successfully completed the stipulated programme of research and submitted a thesis based on the original research work done by him/her in any particular discipline or jointly in more than one discipline (Inter-disciplinary), that makes a contribution to the advancement of knowledge in the appropriate field of Engineering/ Technology/ Pharmacy/ Management/ Architecture/ Applied Sciences/ Food and Agriculture and has had the thesis approved by the duly constituted panels of examiners.
- 5.2. The Academic Council (AC) of the University formulates and approves the Rules and Regulations. The AC can modify or change the structure, the governing rules and regulations from time to time.
- 5.3. A candidate to be awarded the Ph.D degree has to submit a thesis embodying the findings of his/her research carried out under this programme. The thesis should be a record of an original contribution of high quality to the advancement of knowledge as judged by experts in the relevant area.
- 5.4. A candidate becomes eligible for the award of Ph.D degree after fulfilling the entire academic requirement prescribed by the AC of the University as well as stipulated by the University Grants Commission (UGC).
- 5.5. The AC shall approve the award upon the recommendation of the SDPC/UDRC.
- 5.6. In case of any controversy in the thesis or Viva-voce evaluation report the decision of the Vice Chancellor of KU shall be final and binding.
- 5.7. The Ph.D degree shall be awarded in the discipline of the department in which the student registers for Ph.D programme.

6. Admission Categories

The research scholar seeking admission to the Ph.D programme of the University shall be classified under any one of the following categories:

- A. i) Full Time:** A person enrolled in Ph.D programme and who devotes his/her full time for research activities in the University. They may apply for fellowship/assistantship available from different funding agencies. Moreover, research scholars supported by R&D organizations, national institutions, other universities, government organizations or industries shall be admitted through the normal process and work full time for the **Ph.D programme**.
- ii) Part Time:** A person can be enrolled in the part time Ph.D programme of this University and allowed to conduct research activities in the University while being in full time employment as:
 - a. Faculty/Scientists/Engineers/Professionals working in recognized academic/research institutes/ Government/ Industry (working professionals)
 - b. A member of administrative/technical staff or faculty of the University.

Part time candidates shall complete their course work by the end of the third semester after obtaining necessary leave from their employers.

- B. Project Fellow:** Scientists/Assistants working in a research project in the University, provided his/her Ph.D topic is related with research project, subject to the consent of the Principal Investigator of the project. These research scholars shall get stipend/remuneration as admissible under concerned Research Project and shall not be entitled to get any type of stipend/remuneration from the University. However, they shall have to comply with all related Ph.D norms of the University.
- C. Sponsored Candidates:** Candidates getting Government/Semi Govt. or other Scholarship/ Fellowships/ stipends, who applies for admission through the sponsoring organization
- D. Self – financed Indian Candidates** satisfying eligibility qualifications (Full Time).
- E. Self – financed Foreign Candidates** satisfying eligibility qualifications (Full Time).

7. Admission to the Ph.D programme

7.1 Eligibility criteria

- 7.1.1 An applicant for admission to the Ph.D. programme of this University shall possess, normally, a Master's degree in Technology/ Engineering/ Management/ or equivalent, with a minimum of 60% marks/(55% in case of Full-Time Sponsored candidates with a minimum of three years professional experience, and SC/ST candidates) at Master's level or a Master's Degree in Science/Humanities with a minimum of 55% marks (50% in case of Full-Time Sponsored candidates with a minimum of three years professional experience, and SC/ST candidates) at Master's level or any other discipline approved by the Academic Council of the University from time to time.

Details of the eligibility criteria for admission to various Ph.D programme are given in **Annexure - I**. The eligibility criteria for areas of study other than listed in Appendix will be developed as and when required.

In case any board/university awards grades instead of marks, the calculation of equivalent marks would be based on the procedure prescribed by that Board/University. In case University doesn't have any scheme for converting Cumulative Grade Point Average (CGPA) into equivalent marks, the equivalence should be established by dividing the obtained CGPA with the maximum possible CGPA and multiplying by 100.

Applicant with foreign diplomas should see the EdCIL website (<http://www.edcil.co.in>) for equivalence and if required should obtained an equivalent certificate well in advance from the evaluation division of the AIU (website <http://aiuweb.org>). Foreign national wishing to pursue the Ph.D. programme at Kaziranga University will have to obtain prior security clearance from Ministry of Home Affairs and the approval of the department of secondary and higher education, Ministry of Human Resource Development, Govt. of India/any other appropriate Govt. agencies and this must be on the appropriate (student) VISA. (Please see UGC website for details).

Candidates must have adequate proficiency in written and spoken English. Foreign nationals shall be required to clear TOEFL or any other equivalent examination prescribed by the AC from time to time to become eligible for admission to the Ph.D. programme.

Candidates with qualifications acquired through correspondence or distance learning programme or eligible only if (a) the programme are recognized by DECUGC-AICTE or MHRD, and (b) they have passed the qualifying examination at the time of applying, with minimum requisite marks as stated above. They must enclosed photocopies of pass certificate and mark sheets of qualifying examinations with their applications.

7.1.3 For Ph.D in Management field, the applicant should possess any post graduate degree in subjects specified in Annexure- I with a first class and research work of repute in a discipline related to the research proposal.

7.1.4 If considered necessary, UDRC may propose other qualifications/ requirements in specific areas, consistent with norms of UGC, AICTE and other statutory bodies, to the Academic Council for approval.

7.2 Admission Procedures

7.2.1 Applications for admission to Ph.D programme shall be invited through an open advertisement, **once** a year in May and November for pre-determined intake for each programme in the prescribed form of the University.

7.2.2 The tentative schedule of Course Registration and Admission is given in the following table.

Sr. No	Admission Schedule	Last date for submission of Applications
1	JULY	Before 15th June

7.2.3 Applications of the candidates of categories (6 (b)) must be submitted through proper channel along with no objection certificates (FORM – I).

7.2.4 The applicants for part-time Ph.D should:

7.2.4.1 Prove to the satisfaction of UDRC that his/her official duties permit him/her to devote sufficient time to research.

7.2.4.2 Ensure that facilities for pursuing research are available at his/her place of work in the chosen field of research or elsewhere as required.

7.2.5 Sponsored candidates shall submit a sponsorship certificate from their employers in the prescribed format (Form – II).

7.2.6 Project fellows shall submit their applications accompanied by a no objection certificate from the Principal Investigator (Form – III).

7.2.7 The applications received by the Admission Office shall be sent to the concerned Deans/Heads of the Departments to scrutinize the applications,

shortlist the candidates and call them for entrance/screening test followed by an interview.

- 7.2.8 A list of candidates recommended for admission by a selection committee set up by the Dean of the concerned school shall be sent to the Admissions Office for further processing and admission.
- 7.2.9 UDRC shall prepare a tentative list of Supervisors depending on the specific areas of research indicated by the short listed applicants.
- 7.2.10 Selected candidates shall be intimated by the Registrar for getting themselves admitted to the Ph.D programme.
- 7.2.11 Selected candidates get admitted to the concerned programme by paying all the fees as per schedule. The candidate's presence at the time of verification of testimonials etc., course registration and hostel admission is essential. The fee structure will be as decided by the university management over the times.
- 7.2.12 Non Resident Indian (NRI), Persons of Indian Origin (PIO) and Foreign Nationals may be admitted to the programme in accordance with the policy guidelines laid down by the Government of India.

8. Supervision

8.1 Categories of Supervisor

8.1.1 Supervisor:

(i) The Supervisor should be a full time faculty of Kaziranga University with Ph.D degree. He/She should have enough expertise in the subject matter chosen by the doctoral student. He/She should have Research and /or Teaching experience of **one** year other than the time spent for his/her own's doctoral degree and research papers published in **Refereed journals**/research grants/professional standings. Evidence of continued research is desirable. He / She should have experience of advising supervising master's thesis work. The Supervisor shall act as the *Chairperson* of the SDPC.

8.1.2 Co-supervisor: If the plan of research of the candidate demands, subject to the consent of the principal Supervisor, a suitably qualified scientist/academician who may or may not be a faculty member of KU can be appointed as a *Co-supervisor* by the UDRC provided that the scientist has already been recognized by KU to be eligible to co-guide a doctoral student. Criteria for co-supervisor shall be same as supervisor as mentioned in clause 8.1.1

8.1.3 However, UDRC may recommend any faculty member/scientist from other University/institutes recognized by UGC/AICTE and R & D organization and Research Laboratories of national and international repute in India or foreign country as supervisor/co-supervisor having the requisite eligibility as per clause 8.1.1. The Registrar shall notify the formal approval of the individual as the recognized co-supervisor of the Kaziranga University.

8.2 The maximum limit for advising Ph.D students as Supervisors/Co-supervisors at a time shall be as follows:

Professor: 8 (both as Supervisor and Co-supervisor)

Associate Professor: 8 (do)

Assistant Professor: 3(do)

8.3 Allotment of Supervisors

- 8.3.1 Every doctoral student shall be placed under the supervision of a faculty member of the University eligible to be a supervisor as per **Clause 8** or other competent faculty approved by the UDRC after obtaining mutual consent of both the student and the Supervisor.
- 8.3.2 The allocation/allotment of Supervisor shall not be left to the individual student or the faculty member. **The Guide and Co-Guide allocation will be done by the committee set by Dean of respective school where the candidate is interested to do his research. Dean of School should be the chairman of the committee.**
- 8.3.3 The allocation of the Supervisor shall depend on the number of doctoral students per faculty member as per clause 8.2, the available specialization among the faculty members, and the research interest of the student as indicated by him/her during interview and proposal.
- 8.3.4 The Supervisor(s) is identified and appointed at the earliest and within six months from the date of registration.
- 8.3.5 Once the Supervisor for a candidate is allotted, the same shall be notified by Registrar.
- 8.3.6 There shall be not more than two Supervisors for a doctoral student including Co-supervisor.
- 8.3.7 In the event of any dispute/controversy, UDRC shall have the power to change the Supervisor of any student or to arrange for joint supervision by more than one Supervisor, if it deems fit.
- 8.3.8 On the basis of sufficient and valid grounds, a doctoral student may apply to the Chairperson, UDRC for changing his/her Supervisor/Co-supervisor (or both). On the basis of the application UDRC may consider the change.
- 8.3.9 The Supervisor will form the SDPC to monitor the progress of each of the research students. The SDPC shall consist of the Supervisor (Co-supervisor if appointed), two faculty members/experts of the concerned department/centre in which the research student pursues his/her research work and another member/expert from allied department(s)/centre(s) of the University or from other reputed Institutions. The principal Supervisor shall be the Chairperson of SDPC.

8.4 Recognition of Supervisor

- 8.4.1 All regular faculty members of the University with Ph.D qualification and a minimum of 3 years of post doctoral teaching and research experience or a minimum of 5years of P.G/10 years of UG teaching experience and a Ph.D degree and having experience

- of supervising masters students may be recommended by the UDRC to be recognized as a Supervisor.
- 8.4.2 Also any faculty member without Ph. D Degree holding a senior position in the University and having a Postgraduate Degree in the relevant field of research with a minimum of ten years of teaching/research experience and has publications in Scopus indexed journals may also act as Supervisor/Co-supervisor.
- 8.4.3 A regular faculty member of KU with Ph.D degree, but having less than 3 years of post doctoral teaching/research experience can also be considered by the UDRC for approval as Ph.D Supervisor/guide, if the faculty member has a minimum of 3 years of experience in Industry/R&D organization and has published a minimum of 5 papers in Scopus indexed journals or having one patent in his/her name.
- 8.4.4
- A. Professors/ Associate Professors/Asst. Professors of other universities/Institutes with a minimum of 5 years of P.G/10 years of UG teaching experience and a Ph. D degree in the concerned subject may serve as Co-supervisor of a KU doctoral student.
 - B. Retired persons from other Universities with a minimum of 5 years of P.G/10 years of UG teaching experience and a Ph. D degree in the concerned subject may also serve as Co-supervisor of a KU doctoral student.
 - C. Scientist of reputed research centres or other organizations having Ph. D degree in the concerned subject and possessing sufficient research experience (to be determined by the number of publications) may serve as Co-supervisor of a KU doctoral student.
- 8.4.5
- (i) A Supervisor who is also a faculty member of KU shall continue to supervise a doctoral student even after his/her retirement so long as the student working with him/her completes his/her work. In such case, however, there will be a Co-supervisor for taking care of administrative and the research responsibilities of the scholar. The retired faculty member will be informed of the SDPC meetings, and will be invited to attend the meetings.
 - (ii) In the case of external supervisor/co-supervisor, he/she shall be permitted with same provision up to the age of 65 years. In this case Dean, R & D will take administrative responsibilities of the candidate.
- 8.4.6 If the Supervisor or the Co-supervisor leaves the University permanently or temporarily for a period of more than 1 year or is unable to continue supervision due to long illness or due to demise:
- 8.4.6.1 The student may apply to the Head/Dean of the concerned department/school for changing the Supervisor.
 - 8.4.6.2 The application shall be forwarded to the Dean **R&C** by the Head for approval of the UDRC.
 - 8.4.6.3 With the approval of the UDRC the **Registrar** shall notify the approved change.
 - 8.4.6.4 Due acknowledgement and recognition must be given in the Ph.D thesis for the part of the work supervised by the earlier Supervisor.
- 8.4.7 In case the doctoral student has a Co-supervisor from an outside organization and the Co-supervisor leaves his institute/University/college/R&D organization or is unable to continue supervision due to long illness or due to demise:

- 8.4.7.1 The student may apply to the Head/Dean of the concerned department/school for an alternative Co-supervisor recognized by KU from KU/same or other institute/University/R&D organization.
- 8.4.7.2 The application must be endorsed by the Supervisor
- 8.4.7.3 The application shall be forwarded to the Registrar by the Head/Dean for approval of the UDRC.
- 8.4.7.4 With the approval of the UDRC the Registrar shall notify the approved change.
- 8.4.7.5 Due acknowledgement and recognition must be given in the Ph.D thesis for the part of the work supervised by the earlier Supervisor.
- 8.4.8 A person, who is registered for a Ph. D degree in KU or other Institutes, shall not be permitted to act as a Supervisor in any subject of the University.
- 8.4.9 Those Faculty members of the University who have been recognized as Supervisors shall not accept Ph. D students two years prior to their retirement.
- 8.4.10 Notwithstanding what is stated above, the Chairman, UDRC reserves the right to approve anyone as research Supervisor, depending upon the merit of the case.

9. Course credit requirement, course work, course registration

9.1 After having been admitted as a doctoral student, each Ph. D student shall be required to undertake course work as per the recommendation of the UGC for a minimum period of one semester and **maximum of two semesters**. The course work shall be treated as pre-Ph. D preparation and must include a course on *Research Methodology* which may include quantitative methods and computer applications as recommended by University Grants Commission (UGC). The course work may also involve a research study involving an exhaustive review of scientific papers in the relevant field and presenting its conclusions. There will be special committee of three faculty members including the Supervisor to evaluate the special study.

9.2 Course credit distribution for Ph. D programme shall be as follows:

Sr. No.	Components	Credit
1	Course work (Major and Related Discipline)	16

9.3 Ph. D students shall have to take courses offered by the concerned department for the Ph. D programme.

9.4 A student should take a minimum of 4 courses on the areas of research and/or areas related to that of research with at least **16** credits. Out of the courses three courses must be from the major discipline.

9.5 The UDRC shall suggest course work depending on the specific requirements of the area of research and the previous knowledge, expertise and experience of the candidate.

9.6 The course work must be carried out by the students within the first two semesters. However, employed part time candidates shall be given the option of carrying out the course work during any two of the first three semesters.

9.7 A candidate shall have to register his/her name for the courses to be taken in each semester through a course registration form (FORM – IV) to be obtained from the office of Dean (**R& C**). The Course Registration Form shall have to be submitted to the **registration office** through the Supervisor and the concerned Head of the Department/Centre along with the receipt of payment of necessary fees. After completion of course work, students should enroll in every semester for thesis research

9.8 A research scholar shall appear before the SDPC once in six month to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress reports shall be submitted by the SDPC to Dean R&C's office with a copy to the Scholar.

9.9 In case the progress of the research Scholar is unsatisfactory, the SDPC should record the reasons for the same and suggest corrective measures. If the research scholar fails

to implement these corrective measures, the SDPC may recommend to the institution with specific reasons for cancellation of the registration of the research scholar.

- 9.10 The student should enroll for each **semester** in the prescribed course registration form (FORM – IV).
- 9.11 A student must secure a CGPA of 6 (six) in **course work** continue research. The evaluation procedures and the computation of SGPA/CGPA shall be done according to the procedures adopted for the masters programme of KU.
- 9.12 Controller of Examinations (CoE) shall declare the SGPA/CGPA after the end of each semester and send the grade card to the concerned candidate.
- 9.13 Files of individual doctoral student will be maintained by the Admissions Office and forwarded to Supervisors as and when required.

10. Attendance

- 10.1 **During Course Work:** The minimum requirement of attendance for completing the course work shall be 75%. The doctoral student should register for every semester.

For Special cases, condoning in shortfall of the attendance below required attendance will be at the discretion of the Vice Chancellor.

10.2 During Research Work:

- 10.2.1 During research work, full time Ph. D candidates, sponsored and project categories shall be required to maintain a minimum attendance of 75% in each semester.
- 10.2.2 Ph. D candidates in part time category shall be required to fulfill residential requirement of equivalent to one semester during the Ph. D Programme before submission of the thesis.

11. Leave

11.1 Ordinary Leave:

- 11.1.1 A full-time Ph. D student is eligible for 30 days leave for every completed year (calculated in terms of two consecutive semesters, from the time of his/her joining the programme).
- 11.1.2 In general, a maximum of 15 days of leave shall be permitted in a semester.
- 11.1.3 A maximum of 5 days of such leave is allowed to avail at a stretch if the candidate is having any academic assignment.
- 11.1.4 Head of the Department/Center shall sanction the leave on recommendation of the Supervisor.

11.2 Maternity/Paternity leave:

- 11.2.1 A candidate is eligible for 3 months maternity leave or 15 days of paternity leave as applicable only once during the entire Ph. D Programme.

11.2.2 Vice-Chancellor shall sanction leave on recommendation of the Supervisor and submission of a certificate from a Medical Officer authorized by KU.

11.3 Academic Leave:

11.3.1 A maximum of 15 days of academic leave is permissible in a year (calculated in terms of two consecutive semesters, from the time of his/her joining the programme) to attend conferences/ seminars/ workshops/ trainings/ short-term courses.

11.3.2 A maximum of 30 days of leave in a calendar year is permissible for field trips related to his research work.

11.3.3 The Head of the Department/Centre sanctions academic leave on recommendation of the Supervisor and notified to Admissions Office.

11.3.4 Special academic leave of more than 60 days but up to a maximum of 12 months is also permissible to carry out part of the research in another institute/R&D Lab/industry in India or abroad. For sanction of such a leave, a letter of consent from the host institute is required. This leave is permissible only after the student has completed successfully the course work and has completed at least 30% of his/her research work at KU.

11.3.5 On recommendations of the Supervisor, SDPC and UDRC approve such special academic leave. Such cases are reported to AC.

11.3.6 The candidate granted academic leave for one or more semesters, shall pay prescribed fees every semester.

12. Ph.D. registration

12.1 A candidate shall have to give a presentation on the proposed research plan before SDPC preferably by the end of the second semester or **begin of third semester after completion of course work and allocation of Guide.**

12.2 Depending on the suitability/feasibility of the research plan and the expertise/capacity/preparedness of the candidate for carrying out research:

12.2.1 SDPC may recommend the candidate for Ph. D registration provided he/she has cleared the requirement of SGPA/CGPA in the recommended coursework and minimum attendance.

12.2.2 SDPC may propose some changes/modifications which need to be incorporated in the plan of research and then resubmit within the stipulated time frame.

12.3 The University after considering the recommendations of SDPC shall approve or otherwise the Ph.D registration of the candidate.

12.4 A summary report of the candidates registered for Ph. D shall be duly sent to the Registrar of the University for enrolment.

12.5 The Registrar shall convey the approval of the Ph. D registration and provide the Ph. D

Registration Certificate to the candidates. **The list of candidates registered for PhD should be uploaded in the university website by the registrar of the University and should send the link to UGC.**

- 12.6 In Special circumstances, candidate is allowed to change his / her research area within 12 months after registration.
- 12.7 An institution may be recognized as a Research Centre of Kaziranga University if it is recognized as such by the Academic Council of Kaziranga University. Any institution desiring such recognition shall have to apply to the university with the prescribed application fee. The Research Cell of the university shall cause an inspection of the institution with specific terms of reference, after which the report of the inspection team shall be put up for consideration before the Academic Council. A recognized Centre / Institute will have to submit an Annual Report on the infrastructure facilities existing/added and the Research Council shall have the right to withdraw recognition for non-fulfillment of the requirements.

13. Renewal of Studentship/Candidature

- 13.1 In order to continue research, the candidates will be required to renew their studentship by registering every semester by the specified date till the submission of their thesis.
- 13.2 The renewal of studentship shall be subject to the completion of specified number of credits/course work and/or satisfactory progress in his/her research work as recommended by SDPC.
- 13.3 A student may be exempted from the prescribed fees for the last semester if he submits thesis within 30 days from beginning of the semester.

14. Period of Candidature

- 14.1 The time period requirement (from the date of admission/registration) for submission of the Ph.D Thesis:

Category	Minimum Time Period for submission	Maximum Time Period for submission
Full Time / Part Time	3 Years	6 Years

Under exceptional circumstances a candidate may apply through proper channel for submitting his thesis before the minimum time period. After examining the application SDPC forwards the application to UDRC for approval.

- 14.2 In no circumstances a candidate shall be allowed to submit his thesis before 6 semesters.
- 14.3 Under exceptional circumstances a candidate may apply through proper channel for extension of the time period for thesis submission for a maximum of two semesters. After examining the application SDPC forwards the application to UDRC and its recommendation is sent to AC.

15. Financial Assistance

- 15.1 Financial assistantship shall be available to Ph.D students in the form of:

- 15.1.1 Teaching Assistantship: Ph.D candidates under this plan shall assist the instructors of the various courses for the smooth running of the course.
- 15.1.2 Research assistantship. The candidates under this plan shall assist the faculty members in various research projects. They may also be assigned limited academic duties.
- 15.2 A candidate shall have to apply through the Chairperson of SDPC expressing his/her willingness to assist the University in the academic and research activities.
- 15.3 The SDPC, in presence of the Head of the Department, shall conduct an interview among the candidates and send the list of selected candidates to UDRC for approval.
- 15.4 Only full-time Ph.D candidates are eligible for assistantships.
- 15.5 After five years no Ph.D candidates will be eligible for teaching or research assistantship. The rate per hour for the assistantship will be decided by the KU authorities.
- 15.6 The assistantship may be terminated or reduced if the candidate's performance in his/her assigned duties is not satisfactory.

16. Change of category

- 16.1 If a candidate desires to change his category of his/her candidature, he/she shall apply to the UDRC through SDPC at any time after the completion of his course work (FORM – V).
- 16.2 The candidate may be allowed for valid reasons to change his status from full time category to part time category or vice-versa on the recommendation of SDPC and with the approval of UDRC.
- 16.3 If a full time candidate changes his status to part time category, the minimum time period requirement shall be three years and maximum will be seven years. However only one and a half of the time periods spent as a full time candidate shall be counted.
- 16.4 In case a part time candidate changes his status to full time category, the minimum time period requirement shall be four years and maximum will be five years. However, only two-third of the time period already spent as a part time candidate shall be counted.

17. Cancellation of Registration

Registration of a candidate shall be terminated in any one of the following eventualities, after due approval of AC of the University:

- 17.1 If the academic progress of the candidate is found unsatisfactory in three consecutive progress reports.
- 17.2 If he/she absents himself/herself for a continuous period of six weeks without prior permission/approval from SDPC.
- 17.3 If he/she withdraws from the Ph.D programme and his/her request is duly forwarded by UDRC.
- 17.4 If he/she is involved in such activities not allowed at the University, or any other issues which are detrimental to University.

18. Disciplinary Regulations

If a candidate is found to be involved in an act of misconduct, misbehavior, plagiarism and /or indiscipline, disciplinary action will be taken by Disciplinary Action Committee of the University.

19. Monitoring the Progress of Research

- 19.1 The academic/research progress during the entire Ph.D programme of each candidate shall be monitored by SDPC. At the end of every semester, student should present the progress before SDPC. The committee should evaluate if the progress is satisfactory or otherwise.
- 19.2 For this purpose the candidate shall submit a progress report in the prescribed format (FORM – VI) at the end of each semester to the chairperson of SDPC.
- 19.3 The SDPC shall evaluate the research progress of the candidates and send reports to the UDRC for appraisal with anyone of the following grades:
 - 19.3.1 **S** (satisfactory). In this case the student shall be allowed to enroll in the next semester and continue research.
 - 19.3.2 **U** (unsatisfactory). On the first appearance of the ‘U’ grade the student shall be allowed to enroll in the next semester and continue research with suggestions for improvement. However, if the candidate gets three ‘U’s or two consecutive ‘U’s, his registration shall be liable to be terminated.

20. Synopsis of Thesis

- 20.1 On completion of the research work a student shall submit the synopsis of his/her Ph.D thesis in the prescribed format (FORM – VII) in not more than 1500 words (excluding references if any) in triplicate (both soft copy and hard copy) to the SDPC at least three months prior to the submission of the thesis.
- 20.2 The synopsis shall contain the finalized title of his/her thesis and outline of the research contained in the thesis. The student makes a presentation of his/her thesis work before the SDPC in a seminar named pre-thesis submission seminar. The synopsis is submitted at least one week before the pre-thesis submission seminar date.
- 20.3 SDPC shall examine the synopsis and suggest changes, if any, in the final form of the thesis. If the SDPC approves the synopsis, the student is allowed to submit the synopsis of the thesis to the UDRC for necessary action.
- 20.4 If a student fails to submit the thesis within 4 months from the date of the pre-thesis submission seminar, he/she shall present another pre-thesis submission seminar. In that case his/her synopsis has to be approved by the SDPC and submitted to the UDRC for necessary action.

21. Panel of Thesis/Viva-voce Examiners

- 21.1 At the time of pre-thesis submission seminar, SDPC proposes to UDRC the panel for the final evaluation of the Ph. D thesis which shall consists of the internal examiner(s)

- (normally all SDPC members) and two external examiners, out of which at least one should be from outside the Country.
- 21.2 External Examiners should have adequate experience in supervising doctoral students and must be actively involved in research as evident from their publications in Scopus indexed journals. He / She should be at least Professor/Associate Professor or equivalent rank. The request for appointment of external examiners should accompany details of curriculum vitae, list of publications in English and doctoral research supervision experience and thesis abstract of the candidate.
- 21.3 On receipt of the satisfactory evaluation reports, SDPC shall arrange the final Viva-voce to evaluate the quality and impact of the research work carried out by the doctoral student. The Viva-voce is an essential component of the evaluation process and shall also be openly defended. The panel for Viva-voce examination shall consist of all SDPC members and preferably one of the external examiners of the thesis evaluation panel. If none of the external examiner(s) is available for Viva-voce examination, an alternative examiner shall be appointed by SDPC, subject to the approval of UDRC.

22. Thesis Preparation and Submission

- 22.1 A Ph.D thesis is submitted as part of the requirements for the degree of Doctor of Philosophy.
- 22.2 A candidate may submit his/her thesis within the stipulated period but not later than four months from the date acceptance of the synopsis by the UDRC by filling the prescribed proforma (FORM – VIII).
- 22.3 The candidate must fulfill all requisites (course credit requirement, time period, attendance etc.) for Ph.D thesis submission and has at least one peer-reviewed/refereed publication on his Ph.D work accepted/published in a Scopus indexed journal before submission of the thesis. The candidate shall produce evidence for the same in the form of acceptance letter or reprint.
- 22.4 The international journals should have international editorial board, international diversity of authorship, appear in major databases, has reputable publisher and has SCI, SSCI or COMPENDEX Number. The students should seek formal approval of the Supervisor before submitting paper for publication.
- 22.5 The candidate shall submit a "Clearance Certificate" from concerned departments/sections/offices/library at the time of submission of the thesis.
- 22.6 Guidelines for preparation of the thesis are given in Annexure III.
- 22.7 Content and context of the thesis
- 22.7.1 The thesis shall be written in English in the specified format and style.
- 22.7.2 Before submission of the thesis it should be checked for plagiarism. **The respective supervisor of the scholar should get the plagiarism certificate as per the format given in PhD regulations.**
- 22.7.3 The thesis research work should be original. The thesis shall involve in depth study and critical review of the area of his topic and creation of new knowledge

in the area. It should bear the evidence of the candidate's capacity for analysis and judgment as well as his ability to carry out independent investigation, design and development. It should be characterized by discovery of facts or fresh approach towards interpretation of facts and theories or significant contribution to the advancement of knowledge in his/her chosen field.

- 22.7.4 A thesis may be supplemented by reprint(s) of published work. In such publications, the author's list must include the names of both the candidate as the first author and the Supervisor(s).
- 22.7.5 No part of the thesis shall have been submitted for the award of any other degree or diploma.
- 22.8 Four copies of the thesis (five in case the candidate has a Co-supervisor) shall be submitted initially preferably in soft cover for evaluation.
- 22.9 After passing the viva – voce examination, three copies of the thesis shall be submitted within 15 days of Viva-voce examination. These copies shall include corrections/modifications (if applicable) recommended by the panel of final Viva-voce examination and should be in the required format prescribed by KU.

23. Thesis Evaluation

- 23.1 The office of the CoE shall make all correspondence with the examiners of the Ph.D thesis.
- 23.2 Each examiner shall be requested to send a detailed evaluation report and his/her recommendations on the prescribed proforma within two months of the date of receiving the thesis.
- 23.3 If the thesis report is not received from an examiner within two months, a reminder will be sent to the examiner. If no response is received from the examiner in two weeks thereafter, another examiner shall be appointed subject to the approval of SDPC and UDRC.
- 23.4 Each examiner will examine the thesis to judge that the thesis is a piece of research work characterized by:
 - 23.4.1 the discovery of facts, or
 - 23.4.2 a fresh approach towards interpretation and application of facts or theories, and creation of new knowledge, give his opinion on the candidate's capacity for critical examination and sound judgment.
 - 23.4.3 The thesis should be submitted along with Candidate's Declaration (Form – IX), Certificate of the Supervision (Form – X), Course / Comprehensive Examination / Pre-submission Seminar Completion Certificate (Form – XI).
- 23.5 All examiners will submit the reports on the thesis recommending any one of the following four recommendations in the prescribed format (FORM – XII) :
 - (a) The thesis is accepted for the award of the Ph.D degree without any further modification/correction.

- (b) The thesis is accepted for the award of the Ph.D degree subject to the candidate giving satisfactory answers to queries specifically mentioned in the report, at the time of Viva-voce examination.
 - (c) The thesis is not satisfactory for Viva-voce examination but the candidate be allowed to resubmit his/her thesis in a revised form for re-examination.
 - (d) The thesis is rejected.
- 23.6 The examiners reports shall be forwarded to the Supervisor by the CoE. The Supervisor will inform the candidate only those comments/queries in the reports which require explanation/answers without disclosing the identity of the examiners.
- 23.7 If all the three reports recommended acceptance of the thesis (recommendations (a) and (b) under Clause 23.5), the candidate shall be eligible for oral defense.
- 23.8 In case of recommendation (c) under Clause 23.5, the candidate shall be allowed to submit the revised version of the thesis within six months after incorporating the suggested modifications.
- 23.8.1 However, a candidate shall not be permitted to make any change to the thesis that is not specified by the examiner(s). The revised version of the thesis would be sent to the concerned examiner(s) for re-evaluation.
 - 23.8.2 Corrections and modifications to the thesis must be incorporated in the text by changing the pages/ tables/ figures wherever necessary with a separate sheet indicating the corrections made with the page numbers.
 - 23.8.3 For valid/proper reasons, the maximum time period for the submission of the revised thesis may be extended by submitting an application to the chairperson, AC through the chairperson, UDRC and the CoE.
- 23.9 If both the external examiners rejects the thesis, the candidate and the Supervisor will be intimated accordingly. The candidate shall have to register afresh and may be allowed to continue research on the same topic without doing the coursework already completed. In such a case, the candidate needs to resubmit the thesis within a period not exceeding four semesters.
- 23.10 If one of the reports recommends rejection, the thesis shall be sent to a third external examiner subject to the approval of the AC. If the third examiner also recommends rejection, the thesis shall be rejected. However, if recommended by the Supervisor the process similar to 23.9 may be adopted.
- 23.11 Any dispute/doubt arising out of the procedure laid down in these regulations shall be referred to the AC for a decision.
- 23.12 In case of resubmission of a thesis after revision, an additional fee for the reevaluation of the thesis shall be payable by the candidate.

24. Final Oral Defense (Viva-voce) Examination

- 24.1 On completion of the thesis evaluation process, the SDPC shall conduct final Viva-voce in the presence of at least one external examiner from the panel of thesis evaluation selected by the chairperson of AC.

- 24.2 If none of the external examiner(s) from the panel of thesis evaluation is available for evaluation of oral defense, an alternative examiner shall be selected by the chairperson of the AC, preferably from the panel of examiners submitted by the Supervisor(s).
- 24.3 The date and time of the Viva-voce examination shall be fixed by the CoE after approval from the UDRC, normally within 30 days from the receipt of the last recommendation from the panel of thesis evaluation. The date of Viva-voce examination shall be communicated to the candidate at least 15 days in advance. At the same time public notification of the final examination should be posted.
- 24.4 The Viva-voce examination shall be open to all faculty members, staff members and students.
- 24.5 In Viva-voce examination, the candidate shall be required to answer to all the comments/questions arising out of the external examiner's reports apart from the queries and questions raised by the members of Viva-voce examination panel and, with permission of SDPC, questions asked by others who are present.
- 24.6 No grades are given to thesis submitted in fulfillment of the requirements for the doctoral degree. The assessment is based on the quality of the thesis report itself and on the candidate's success in defending it in an oral examination.
- 24.7 The SPDC shall give its recommendations in the prescribed proforma (FORM–XIV). The SPDC shall recommend to UDRC one of the followings:
- 24.7.1 That the degree be awarded for the reasons to be recorded.
 - 24.7.2 That the candidate be asked to reappear for another oral examination at a later date (not earlier than a month and not later than three months from the date of the first oral examination).
 - 24.7.3 That the degree shall not be awarded for the reasons to be recorded in the report.
- 24.8 In case of recommendation 24.7.2 SDPC may also suggest corrections and modifications. The student should prepare a supplement to be added to the thesis document as specified in the report from the panel of Viva-voce examination.
- 24.9 The Supervisor, the chairperson of SDPC shall forward the report to CoE along with the supplement submitted by the candidate, if any.
- 24.10 CoE shall obtain the recommendation of UDRC on the report and its accompanying documents.
- 24.11 The recommendations of UDRC shall be submitted to the AC for final approval.
- 24.12 On successful completion of the evaluation process the candidate shall be required to submit five copies (six in case of candidates having a Co-supervisor) and a softcopy (pdf. format) to the Office of CoE. The copies shall be kept in the custody of:
- 24.12.1 The departmental library
 - 24.12.2 The central library (with a copy of the soft/digital copy)
 - 24.12.3 The Supervisor
 - 24.12.4 The Co-supervisor
 - 24.12.5 Controller of Examinations

- 24.13 A copy of the soft copy shall be transmitted to UGC, within a period of 30 days following the successful completion of the evaluation process, for hosting the same in INFLIBNET, accessible to all authorities/Universities.

25. Award of Ph.D. Degree

- 25.1 The degree shall be awarded by the Board of Management/Governors of the University on the recommendation of the AC.
- 25.2 The announcement of the award shall be made by the CoE to all concerned.
- 25.3 Along with the degree, the University shall issue a provisional certificate certifying to the effect that the degree has been awarded in accordance with the provisions to the regulations of UGC.

26. Confidentiality and Copyright of Thesis

- 26.1 Upon submission, the candidate must transfer all the copyright to Kaziranga University. The thesis must be accompanied by the prescribed Copyright Transfer Certificate (FORM – XIII).
- 26.2 For valid reasons the candidate and the Supervisor may wish to impose restrictions on the use of confidential material of research findings. In that case applications should be made by the candidate to the CoE through his/her Supervisor to place the thesis on restricted access in the print and digital library.
- 26.3 If the author of the thesis (the candidate) and the Supervisor(s) wish to publish the matter in the form of a book the author and the Supervisor shall have to obtain formal clearance from the University.

ANNEXURE – I

ELIGIBILITY

An applicant for admission to the Ph.D. programme of The Assam Kaziranga University shall possess, normally, a Master’s degree in Technology/ Engineering/ Management/ or equivalent, with a minimum of 60% marks/(55% in case of Full-Time Sponsored candidates with a minimum of three years professional experience, and SC/ST candidates) at Master’s level or a Master’s Degree in Science/Humanities with a minimum of 55% marks (50% in case of Full-Time Sponsored candidates with a minimum of three years professional experience, and SC/ST candidates)

School	Department	Qualification
Science	Chemistry	M.Sc. in all branches of Chemical Science/Physics or M.E./M.Tech in related subjects. NET qualified candidates will be preferred.
	Mathematic	M.A./M.Sc. degree in Mathematics / Statistics / Physics / Computational Seismology / Economics with requisite background in Mathematics. NET qualified candidates will be preferred.
	Physics	M.Sc. in Physics/Electronics/Geophysics/ Material Science/Applied Mathematics/ Nano Science and technology. M.Phil., M.Tech in Solid State Materials/ Materials Science/ Electronics/ Energy/ Nano Science and technology NET qualified candidates will be preferred.

ANNEXURE – II

Fee structure for Ph.D. programme

Fees charged will be as per the regulations of Kaziranga University, Jorhat

ANNEXURE-III
KAZIRANGA UNIVERSITY

Guidelines for preparation of the thesis

1. General

The thesis shall be written in English in the specified format and style.

A thesis may be supplemented by reprint(s) of published work. In such publications, the author's list must include the names of both the candidate and the Supervisor.

No part of the thesis shall have been submitted for the award of any other degree or diploma. The thesis should be written in a precise manner without making it unnecessarily voluminous.

International Standard white paper of A4 (297 x 210mm) size should be used.

Pages should be numbered consecutively and clearly.

The typing should be single spaced and presented in a clear and legible font (Times Roman 12 point).

Figures, photographs, graphs and tables should be numbered separately; contrast should be clear.

Left and right margins should be not less than 30 mm. Care should be taken with page numbers to allow for page trimming when the thesis is bound.

Folding diagrams or charts should be arranged so as to open to the top and right.

Before producing final copies of a thesis for submission, the candidate should ensure that all the spellings, punctuation, vocabulary and grammar are correctly used and the bibliography is prepared according to internationally accepted conventions.

2. Organization of the thesis

The thesis may be organized in the following manner

1. Cover page
2. Inner cover page
3. Undertaking from the candidate
4. Self declaration certificate from the candidate (FORM – IX) and Certificate from the Supervisor/Co- Supervisor/Head of the Institution /Organization (FORM – X)

5. Certificate for the completion of course work/comprehensive examination in cases where the course work is a part of Ph.D programme (FORM - XI)
6. A copyright transfer certificate (FORM – XIII)
7. Acknowledgments
8. Abstract (maximum one page)
9. Table of Contents
10. List of symbols, figures and tables, abbreviations if any
11. Introduction
12. Literature review
13. Objectives
14. Methodology
15. Results and Discussion
16. Conclusions
17. Suggestions for further studies
18. References
19. Appendices
20. List of papers communicated/accepted/published/presented.
21. Copies of acknowledgment/acceptance letter in case the papers are communicated/accepted.
22. Copies of manuscripts/reprints of the papers communicated/accepted/published.

3. Title page

3.1 The thesis must be preceded by a **title page**. The title page of the thesis should show

- Title of the thesis
- Degree for which it is submitted :"**A thesis submitted in partial fulfillment of the requirements for award of the degree of Doctor of Philosophy**"
- Full name of the student
- Registration Number
- Logo of Kaziranga University
- Full affiliation of the candidate (Dept./Centre/Lab)
- Month and year

3.2 Cover Page should have:

KU Logo

Thesis No:

Title of Thesis:

a) Spine:

Thesis Title:.....

AUTHOR'S SURNAME (at bottom center)

Month and YEAR

The print should be black. The color of the cover page should be such that the logo becomes prominent.

4. Example of title page:

<p style="text-align: center;">(Title of the thesis) By(Student's name) Regn No.</p> <p style="text-align: center;">A thesis Submitted in partial fulfillment of the requirements to The Assam Kaziranga University</p> <p style="text-align: center;">(Logo)</p> <p style="text-align: center;">FOR THE AWARD OF THE DEGREE OF DOCTOR OF PHILOSOPHY in ENGINEERING/TECHNOLOGY/PHYSICAL SCIENCES/HUMANITIES/BUSINESS ADMINISTRATION-----</p> <p style="text-align: center;">By ------(Student's name) ME/MSc/----- Regn No. DEPARTMENT OF ----- THE ASSAM KAZIRANGA UNIVERSITY JORHAT, INDIA Examination Committee: External Examiners: Previous Degree</p> <p style="text-align: center;">(Logo)</p> <p style="text-align: center;">The Assam Kaziranga University, Jorhat</p> <p style="text-align: center;">Month & Year</p>

5. Acknowledgements

The student should acknowledge the guidance and help received from Supervisor, other members of exam committee, lab assistance, technicians, and others and the financial support received from funding agencies if any.

6. Abstract

The acknowledgement page should be followed by an abstract in English.

7. Thesis preparation and binding

At the time of initial submission the thesis should preferably be in flexible cover to facilitate the incorporation of amendments which might be recommended by the examiners.

At the time of final submission hard binding must be done with covers strong enough to resist damage by bending or knocking. Twin-ring, spring-back and spiral binders are not acceptable.

NOTE FOR Ph.D CANDIDATES

To avoid delay in processing your thesis please read the following note carefully

- a) You should complete the thesis submission form at least two months ahead of the actual date of submission.
- b) Your supervisor(s) should sign the thesis in the appropriate place.
- c) The following items must be included with the thesis submission form
 1. Declaration concerning reproduction of thesis
 2. Thesis examination fee payment receipt
 3. An abstract of the thesis preferably within 1500 words in triplicate
 4. A 'No Dues' certificate from departments/sections/offices/library concerned.
